

Admerex declares opening of their 4th site by September 2018

Admerex just announced that their 4th site location will be ready by September 2018 to accommodate the surge of the Company's business requirements. The outsourcing operations of the Filipino-owned BPO has grown by leaps and bounds growing to an active client base of 32, with 52 active contracts for its various lines-of-business. The announcement represents the BPO's continued expansion in the industry given the continuous demand for their services. Nearing 1,400 employees by Q3 of 2018, Admerex now has the capability to accommodate operations for at least 1,800 contact center employees. The 4th site is their 2nd office location in the Mandaluyong area, adding to their Makati, Cebu, and EDSA-Mandaluyong facilities.
