

## **Admerex gets ready to open 4th Company Site**

Admerex just announced that it will be opening a new office before the end of this year to accommodate the Company's rapid growth, particularly the expansion of their outsourcing operations. Similar to the improvements made to their Makati and Cebu offices, the new office space is expected to be modern-looking which will feature an open floor-plan and can comfortably house more Admerex employees. The move represents the company's continued expansion in the outsourcing industry provided by the overwhelming demand for the services of Admerex. Admerex has begun their search for the new office and are likely to make a decision within the next 4-6 weeks. Admerex currently has more than 30 active clients, with many more in their partnership pipeline.
