

Admerex seeks to hire 400 more agents in Manila

Admerex is looking to hire 400 additional call center agents for immediate and full-time deployment to support the business growth of their three (3) facilities in Metro Manila. The surge in their hiring requirements is due to several expansion activities of their various lines-of-business. The company is nearing 1,500 employees and is expected to grow by another 20% within the next 18 months. All candidates go through intensive and rigorous training to better equip them and allow them to cope with the increasing skill demand of the clients of Admerex.
