

Admerex unveils new Cebu office

Admerex recently presented their new Cebu office with a celebratory inauguration, commencing the start of expansion of their Visayas operations. Admerex started their Cebu operations in 2010 with only 20 employees. Because of the increasing business demand and requirements in the said region, they are now looking at gradually increasing their operations to 100 seats this 2018. The event was attended by key senior leaders of Admerex and the rest of their Cebu team.
